

FLEETWERKS™ HEAVY DUTY

CRC FLEETWERKS Heavy Duty Brake Parts Cleaner Non-Chlorinated Low VOC is specifically formulated for heavy duty equipment, trucks, fleets and more. It removes brake fluid, grease, oil and other contaminants from all types of brake assemblies. Stops disc brake squeal. May be applied without disassembling the brake unit. CLEANS AND DEGREASES heavy duty parts such as brake linings, cylinders, drums, clutches, springs, disc brake parts, C.V. joints, and other brake parts.

DIRECTIONS: *Read entire label before using this product.*

1. **DO NOT** apply while equipment is energized or on hot surfaces.
2. Protect all rubber brake parts, plastic parts, rims and painted surfaces from product and overspray.
3. Wet down surfaces to be cleaned using short bursts at a distance of 18-24 inches. Avoid breathing any dust or vapors that may become airborne. (See inhalation warning below)
4. After all surfaces have been wetted, continue spraying to remove contaminants.
5. Air dry or wipe with a clean cloth.
6. For heavy deposits, repeat application as necessary.
7. Runoff should be collected and disposed of properly. (See disposal statement below)
8. Professional users should consult SDS and follow all applicable OSHA regulations.

Danger: Extremely flammable aerosol. Contains gas under pressure; may explode if heated. May be fatal if swallowed and enters airways. Causes skin irritation. Causes serious eye irritation. May cause drowsiness or dizziness.

Precautionary Statements: Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Do not apply while equipment is energized. Extinguish all flames, pilot lights, and heaters. Vapors will accumulate readily and may ignite. Use only with adequate ventilation; maintain ventilation during use and until all vapors are gone. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid breathing mist or vapor. Wash thoroughly after handling. Wear eye protection/face protection. Wear protective gloves. Store in a well-ventilated place. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Exposure to high temperature may cause can to burst. Dispose of contents/container in accordance with local/regional/national regulations.

First Aid: If swallowed: Immediately call a poison center/doctor. Do NOT induce vomiting. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Contains acetone 67-64-1, heptanes 64742-49-0, 426260-76-6, 142-82-5, 589-34-4, 591-76-4, 565-59-3, 617-78-7, carbon dioxide 124-38-9, and light aliphatic solvent naphtha 64742-89-8.

Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death.

For additional information, consult SDS for this product.

Electrical Shock Hazard: This metal can will conduct electricity. Keep away from all live electrical sources. Failure to observe this warning may result in serious injury and/or flash fire.

Not for use in California. See SDS for additional state sales restrictions.
