CRC®
All-Purpose Enamel
Spray Paint

- Fast Drying
- Indoor/Outdoor Use

TECHNICAL DATA
 Surfaces: Metal, Wood, Paper & Cloth
 Resin System: Alkyd Enamel
 Heat: — 300°F (149°C)
 Abrasion — good
 Corrosion — good
 Solvents — fair
VOC COMPLIANT
 Dry Time: — 15 to 30 minutes
 Fully dry — 1 hour
 Recoat — Within 1 Hour

Forest Green 18010

Net Wt. 10 oz. (284g)

DANGER! EXTREMELY FLAMMABLE. HARMFUL OR FATAL IF SWALLOWED. VAPOR HARMFUL, EYE & SKIN IRRITANT. CONTENTS UNDER PRESSURE.
 READ WARNINGS ON BACK PANEL.

- DIRECTIONS:** Read entire label before using this product.
1. Shake vigorously for at least one minute after rattling or mixing ball is heard. Shake intermittently during application.
 2. For best results, spray at room temperature (70°F).
 3. Do not use sharp object to remove overwrap.
 4. Surface to be painted should be clean and dry. Remove dirt, grease, oil, rust, scale and other contaminants.
 5. Mask areas not to be sprayed to protect from overspray.
 6. Hold can 6 to 10 inches from surface. Press spray button firmly.
 7. Do not apply with continuous spray. Use back and forth motion. For best results 3-4 thin coats are recommended rather than one heavy coat. Recoat within one hour.
 8. To prevent valve from clogging after spraying, turn can upside down and press sprayhead for about 3 seconds. This will clean paint from siphon tube and valve. If spray button is clogged, remove from can and run knife edge through it at end of spray button stem. Clear spray button orifice by inserting pin. Do not insert pins or other sharp objects into valve opening of can.
 9. Coverage - 15 to 20 sq. ft.

SPECIAL USAE WARNINGS:

- Content extremely flammable.
- Do not smoke while spraying.
- Extinguish all flames, pilot lights and heaters.
- Do not apply while equipment is energized.
- Vapors will accumulate readily and may ignite. Use only with adequate ventilation.
- Maintain ventilation during use and until all vapors are gone.

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including Battery Terminals, Solenoids, Electrical Panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

03A
 Made in Canada

- M.S.D. (L)™ "Material Safety Data Label" is on the reverse side of the label. (The CHC M.S.D. (L)™ is a proprietary label removal system patented under U.S. Patent No. 5,056,827)
- Primer for best results
- Use with CRC's All Purpose Enamel Spray
- Use on wood, metal, masonry, and glass.
- Resists corrosion, abrasion, fading, and heat.
- For general use in everyday factory and contractor applications.

To view Emergency M.S.D.S.: Tear (DO NOT CUT) label by running fingernail between perforations. Fold back label. Do not remove until can is empty.

WARNING: Contains Acetone 67-64-1, Dimethyl Ether 115-10-6, Toluene 108-88-3, Xylene 1330-20-7, Ethylbenzene 100-41-4, Methyl Isobutyl Ketone 108-10-1, Propane 49-98-6 and Isobutane 75-28-5. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is extremely flammable and should be kept from all flames and other ignition sources. Harmful or fatal if swallowed. This product contains a chemical known to the state of California to cause cancer and birth defects, or other reproductive harm. Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Avoid contact with skin or eyes. Overexposure to vapor may cause irritation to eyes, respiratory irritation, headaches, dizziness and nausea. Use with adequate ventilation. Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal. **FIRST AID:** In case of eye contact, flush with water for 15 minutes. For skin contact, wash area thoroughly with water. If swallowed, do not induce vomiting. Call a physician. If too much is breathed, remove to fresh air. For severe overexposure call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product. **KEEP AWAY FROM CHILDREN**
