CRC® Rust Converter

- NEUTRALIZES rust and converts it to a tough black primer in one easy step.
- No more scraping or sandblasting.
- STOPS old rust, and prevents new rust.
- Applications include: Vehicles, Trailers, Railings, Bridges, Equipment, Pipelines, Storage Tanks, Transmission Towers, etc.

DIRECTIONS: *Read entire label before using this product.*

1. Apply only when temperatures are between 50°F and 90°F.
2. Remove dirt, grease, oil and other contaminants.
3. Remove blistered or loose paint, and loose rust scale.
4. Use of rubber gloves and safety glasses is recommended.
5. Shake and stir well before using. Do not dilute product.
6. Pour estimated amount needed into a clean container. Material cannot be returned to original container after use.
7. For maximum penetration, work product into rusted surfaces with a synthetic bristle brush. For large areas, use a roller or sprayer.
8. Apply a 2nd coat soon after the first coat has dried. Apply in a cross direction of the 1st coat.
9. For best results, apply 2 thin coats.
10. Clean all painting equipment immediately after use with cold water.
11. Protect product from freezing in the container.

Warning

May cause an allergic skin reaction. May cause damage to organs (mouth, esophagus) by ingestion.

Precautionary Statements

Do not breathe the mist or vapor. When exposed to extreme heat or hot surfaces, vapors may decompose to harmful or fatal corrosive gases such as hydrogen chloride and possibly phosgene. Do not eat, drink or smoke when using this product. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves. Wash hands thoroughly after handling. Store locked up. Dispose of contents/container in accordance with local/regional/national regulations.

First Aid

If on skin: Wash with plenty of water/soap. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. If swallowed: Rinse mouth. Do NOT induce vomiting. Immediately give milk, antacid, gelatin, or, if none of these are available, give water. Get immediate medical attention. If exposed or concerned: Call a poison center/doctor.

Contains Water (7732-18-5), Vinylidene dichloride acrylic copolymer latex (Proprietary), Tannins (1401-55-4) and 2-Butoxyethanol (111-76-2). This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
