Tannery® Vintage™ Leather Cleaner & Conditioner is a superior leather care product specially formulated with aloe vera and montan wax – two natural moisturizers that help hydrate leather making it supple and smooth. TANNERY VINTAGE Leather Cleaner & Conditioner deeply penetrates to lift dirt and restore nutrients and natural oils that may be lost from constant exposure to damaging sunlight and extreme temperatures. Its rich, emollient blend of natural cleaners and conditioners keeps your leather feeling soft and supple while protecting it from harsh elements.

**DIRECTIONS:** *Read entire label before using this product!*

Shake well before using. Apply with cloth, turn cloth frequently. Let dry until tacky, then buff. To feed fine, hand-tooled leathers, massage in with a soft brush, then buff. Not all dyes are colorfast. If in doubt, try TANNERY VINTAGE Leather Cleaner & Conditioner in an inconspicuous area. Not recommended for suede, absorbent leathers (leathers that darken when wet) and metallic-finished leathers or fabrics. Do not apply to hot surfaces.

**WARNING:** Contains Water 7732-18-5, Isoparaffinic hydrocarbon 64742-48-9, Mineral oil 8042-47-5, 2-Butoxyethanol 111-76-2 and Hydrocarbon propellant 68476-86-8. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F/49°C. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Avoid contact with skin and eyes and continuous breathing of vapor. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. This product may contain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call physician immediately. For additional information, consult SDS for this product. **DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. Do NOT dump in sewers, floor drains, on the ground or into any body of water.

**KEEP AWAY FROM CHILDREN**

**ELECTRICAL SHOCK HAZARD:** This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.
