

K&W Engine Tune Up relieves sticking valves, cleans crankcase, frees lifters, and disperses all interior engine deposits. **K&W Engine Tune-Up** is not an oil additive. It is formulated specifically to clean and disperse fuel and oil gums and varnishes, remove sludge, carbon and combustion residue which accumulated on the interior of the engine and on working engine parts. It removes, disperses and continues to prevent the formation of deposits that interfere with normal engine operation. **K&W Engine Tune-Up** contains no chlorinated solvents, acids, graphite or chemicals which could damage or corrode any part of the automotive engine.

DIRECTIONS: Read entire label before using this product.

GASOLINE and DIESEL ENGINES: Add one can of **K&W ENGINE TUNE-UP** to oil at each oil change. **TWO CYCLE ENGINES:** Add 3 oz. **ENGINE TUNE-UP** for each gallon of mixed fuel to prevent the formation of deposits on internal parts.

WARNING: Contains Petroleum Distillate 64742-52-5, Diacetone Alcohol 123-42-2, Xylene 1330-20-7, Ethyl Benzene 100-41-4, Isopropyl Alcohol 67-63-0. Product is flammable and should be kept from all flames and other ignition sources. Overexposure to vapor may cause headache, eye irritation, dizziness, nausea, upper respiratory irritation and central nervous system effects. Deliberately concentrating and inhaling contents may be harmful or fatal. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Use only in a well ventilated area. Avoid contact with skin and eyes.

FIRST AID: In case of eye and/or skin contact, flush with large amounts of water for at least 15 minutes. If swallowed DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information, consult Material Safety Data Sheet for this product.

KEEP AWAY FROM CHILDREN.

MANTÉNGASE LEJOS DEL ALCANCE DE LOS NIÑOS

Disposal: All used and unused product should be disposed of in conformance with local, state and federal regulations

Professional users should consult MSDS and follow all applicable OSHA regulations.
