

**TRANS-X**  
MADE IN A CAN

**Directions:** Read entire label before using this product.  
**1** Add fluid to specified level in power steering reservoir. **Do not overfill.** **2** For excessively leaking systems, add entire contents after removing enough liquid to establish proper level. Only add 1 bottle up to 7 quart capacity reservoir. **3** Balance of fluid should be manufacturer's recommended power steering fluid or Statelube's Universal Power Steering Fluid #SL2651. **4** If fluid reservoir is greater than 7 quarts add 1-2 bottles and follow directions. **5** If spilled on painted surfaces, immediately wash off with water.

**WARNING:** Contains Petroleum Distillates 64741-96-4 & 64742-52-5 and proprietary additive. This product contains chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm.  
**FIRST AID:** In case of eye contact flush with water for at least 15 minutes. For skin contact wash with soap and water. If swallowed, DO NOT induce vomiting if too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately.
