

FOR INSTITUTIONAL, COMMERCIAL, AND INDUSTRIAL USE

MSDS: Before using this product, read the MSDS which contains more detailed precautionary measures, handling instructions and emergency procedures.

BRAKE & PARTS CLEANER HELPS IMPROVE BRAKE PERFORMANCE BY SAFELY REMOVING BRAKE FLUID, BRAKE PAD MATERIAL, DIRT AND OTHER RESIDUES FROM BRAKE LININGS AND DRUMS. APPLICATION CAN BE MADE WITHOUT DISASSEMBLING BRAKE UNIT. REDUCES DISC BRAKE SQUEAL. CONTAINS NO CARBON TETRACHLORIDE OR SILICONES.

DIRECTIONS: Read entire label before use. Protect rubber brake parts and painted surfaces from overspray. Spray brake parts to remove brake fluid, brake pad material and other foreign residue. Run off should be collected and disposed of properly. Wipe with clean dry cloth. Repeat application if necessary. Apply to brake linings, disc brake pads, drums, springs, and related brake parts. Do not spray on parts that are hot.

DANGER: May affect the following organs upon prolonged or repeated overexposures: Nervous system, lungs, eyes, skin, and mucous membranes. Prolonged or overexposure from inhalation of chemicals in this product could cause irritation of the eyes, nose and mucous membranes of the respiratory tract, and may aggravate pre-existing lung conditions. Nausea, vomiting and upset stomach could occur. Skin contact could cause mild skin irritation or dermatitis. May be harmful or fatal if swallowed. Exposure by ingestion is unlikely, but if it occurs, may cause irritation of the mouth, throat and stomach.

FIRST AID: Eyes: Immediately flush eyes with plenty of water for at least 15 minutes. Eyelid should be held away from the eye to ensure thorough rinsing. Get immediate medical attention. **Skin:** Immediately flush with plenty of soap and water for at least 15 minutes. Remove contaminated clothing. Get prompt medical attention. **Inhalation:** Remove to fresh air. If symptoms develop, seek immediate medical attention. If not breathing, administer CPR. **Ingestion:** Call physician immediately. Do **NOT** induce vomiting unless directed by emergency personnel. Rinse mouth with water and give another cupful to drink. Never give anything by mouth to an unconscious person.

WARNING: Product is labeled as flammable as described in 16 CFR 1500.3 and 1500.43. Keep away from heat, sparks, flames, and electric arcs. Do not smoke in use area. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120° F (49° C) as container may burst. Avoid prolonged exposure to sunlight. Use with adequate ventilation. Not for use in California. **KEEP OUT OF REACH OF CHILDREN.**

CONTENTS (CAS No.): Acetone (67-64-7), Heptane Isomers (142-82-5), and Carbon Dioxide (124-38-9).
