

## Fast and Effective

Powerful solvents attack petroleum-based grime on a molecular level to loosen its hold on metal, concrete, engines and other surfaces. Active citrus formula makes cleaning easy.

### APPLICATIONS:

Metal Surfaces • Oil-Stained Concrete  
Automotive and Truck Engines • Adhesive-Coated Surfaces  
Gears and Chains • Heavy-Duty Equipment  
Powersports Equipment • Farm Equipment and More

### DIRECTIONS:

1. Spray, allow product to penetrate grime for 1-2 minutes
2. Wipe with clean cloth or continue spraying to flush contaminants
3. Repeat as necessary

**Test on small area before using on painted or plastic surfaces.**

**Wipe off overspray.**

**Do not apply while equipment is running.**

# HEAVY-DUTY DEGREASER

# HEAVY-DUTY DEGREASER

**FAST-ACTING  
EQUIPMENT AND  
SURFACE DEGREASER**

**Dissolves:**  
Oil  
Tar  
Grime

**Removes  
Sticky  
Residue**

**DANGER:**  
FLAMMABLE. HARMFUL OR FATAL  
IF SWALLOWED.  
CONTENTS UNDER PRESSURE.  
Read warnings on back panel.

**WARNING:** Contains Hydrotreated Light Distillates 64742-47-8, d-Limonene 8028-48-6, Dipropylene glycol n-propyl ether 29911-27-1, and Carbon Dioxide 124-38-9. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is flammable and should be kept from all flames and other ignition sources. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to liquid or vapors can cause eye and skin irritation, irritation to upper respiratory tract, and central nervous system effects such as headache, dizziness, drowsiness or confusion. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use. Vapors are heavier than air and can accumulate in low areas. If you experience any symptoms listed on this label, increase ventilation or leave the area. Product may pose an aspiration hazard if swallowed.

**FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, DO NOT induce vomiting. For severe overexposure, call physician immediately. **KEEP OUT OF THE REACH OF CHILDREN.**

Dispose of used and unused product in accordance with local, state and federal regulations. For Safety Data Sheet visit [www.amsoil.com](http://www.amsoil.com).
