

CLEAN-UP™ DEGREASER / SAFETY SOLVENT

CLEAN-UP™ is an industrial strength, specially formulated blend of non-flammable solvents. CLEAN UP should be used to dissolve grease, oil, wax, paint, grime, dirt and dust from:

- Engine Components
- Chains
- Metal Surfaces
- Machine Parts
- Tools
- Bearings
- Cables
- Chrome
- Injectors
- Motors
- Gears

CLEAN-UP does not contain acids or alkalis and will not damage metal surfaces. Do not use on surfaces affected by petroleum solvents such as rubber, paint, some plastics and synthetic fabrics that may be adversely affected by solvents. Use in well ventilated areas. Not to be used on sensitive electronic equipment.

1. Spray product liberally with can in an upright position.
2. Rinse with a second application and allow to air dry.
3. Be sure to protect plastic, rubber and painted surfaces from overspray.
4. Do not use on energized equipment.

DANGER: Contains gas under pressure; may explode if heated. Causes skin irritation. Causes eye irritation. May cause drowsiness or dizziness. May cause cancer. May cause damage to organs through prolonged or repeated exposure.

PRECAUTIONARY STATEMENTS: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 49 °C/120 °F. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Do not breathe gas. Do not breathe the mist or vapor. When exposed to extreme heat or hot surfaces, vapors may decompose to harmful or fatal corrosive gases such as hydrogen chloride and possibly phosgene. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands thoroughly after handling. Store in a well-ventilated place. Keep container tightly closed. Store locked up. Protect from sunlight. Exposure to high temperature may cause can to burst. Dispose of contents/container in accordance with local/regional/national regulations.

FIRST AID: IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If exposed or concerned: Get medical attention. For more information refer to SDS, or call Jet-Lube® at 713-670-5700.

Contains Tetrachloroethylene (127-18-4) and Carbon dioxide (124-38-9). This product contains a chemical known to the State of California to cause cancer. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.

KEEP AWAY FROM CHILDREN.

Not for use in California. See SDS for additional OTC/LADCO state restrictions.

LIMITED WARRANTY: SEE PRODUCT BULLETIN
