

# CLEAN-UP PLUS™

## ORGANIC SOLVENT CLEANER DEGREASER

CLEAN-UP PLUS™ is a specially formulated high performance blend of safe organic solvents designed to quickly dissolve and rinse away dirt, grease, grime, oil, tar and wax while being both environmentally and ozone friendly.

CLEAN-UP PLUS starts working immediately on contact, breaking down and dissolving even the most stubborn contaminants without the use of fluorinated, chlorinated or SARA listed ingredients. Product slowly evaporates while cleaning and leaves a residue free surface. Safe on all metals and most plastics. High 58,000 volt dielectric strength makes CLEAN-UP PLUS the product of choice for degreasing electrical equipment.

1. Do not spray on energized equipment.
2. Spray surface to be cleaned until saturated.
3. Allow solvent to penetrate.
4. Wipe or rinse with second spray.
5. Protect plastic, rubber and painted surfaces from overspray.
6. Product should be tested on a small area prior to use on plastics.

**DANGER:** Extremely flammable aerosol. Contains gas under pressure; may explode if heated. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation. Harmful if inhaled. May cause drowsiness or dizziness.

**PRECAUTIONARY STATEMENTS:** Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Do not spray on an open flame or other ignition source. Do not apply while equipment is energized. Pressurized container: Do not pierce or burn, even after use. Extinguish all flames, pilot lights and heaters. Vapors will accumulate readily and may ignite. Use only with adequate ventilation; maintain ventilation during use and until all vapors are gone. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid breathing gas, mist or vapor. Wash thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves and eye/face protection. Store in a well-ventilated place. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Exposure to high temperature may cause can to burst. Dispose of contents/container in accordance with local/regional/national regulations.

**FIRST AID: IF SWALLOWED:** Immediately call a poison center/doctor. Do NOT induce vomiting. **IF ON SKIN:** Wash with plenty of water. If skin irritation or rash occurs: Get medical attention. Take off contaminated clothing and wash before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. For more information refer to SDS, or call Jet-Lube® at 713-670-5700.

Contains Hydrotreated light distillates (64742-47-8), Dipropylene glycol monopropyl ether (29911-27-1), d-Limonene (5989-27-5) and Carbon dioxide (124-38-9). Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.

**ELECTRICAL SHOCK HAZARD:** This can will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

KEEP AWAY FROM CHILDREN.
