

**JET-LUBE FOOD GRADE SILICONE** is a premium, multi-purpose product that lubricates, waterproofs and protects while being odorless, colorless and non-staining. This product is recommended for use in food processing plants on conveyors, guides, roller chains, bakery equipment, racks, cookers and in bottling operations.

NSF(H-1) REGISTERED, MEETS 1998 USDA H-1 GUIDELINES FOR USE IN FEDERALLY INSPECTED MEAT AND POULTRY PLANTS. It meets or exceeds the requirements of CFR 21, part 17 8.3570 and is designed for equipment or machinery in food plants. Avoid direct addition to food.

1. Do not apply to hot surfaces or energized equipment.
2. Shake well before spraying.
3. Spray in upright position.
4. Apply sparingly and evenly. Excessive application is wasteful and does not necessarily improve results.
5. After use, or if spray spatters, turn can upside-down and spray to clear nozzle.

**DANGER:** Extremely flammable aerosol.

Contains gas under pressure; may explode if heated. May be fatal if swallowed and enters airways. May cause drowsiness or dizziness. Suspected of damaging fertility. May cause damage to organs through prolonged or repeated exposure.

**PRECAUTIONARY STATEMENTS:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Do not spray on an open flame or other ignition source. Do not apply while equipment is energized. Pressurized container: Do not pierce or burn, even after use. Extinguish all flames, pilot lights and heaters. Vapors will accumulate readily and may ignite. Use only with adequate ventilation; maintain ventilation during use and until all vapors are gone. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Do not breathe gas, mist or vapor. Wear protective gloves/protective clothing/eye protection/face protection. Store in a well-ventilated place. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Exposure to high temperature may cause can to burst. Dispose of contents/container in accordance with local/regional/national regulations.

**FIRST AID: IF SWALLOWED:** Immediately call a poison center/doctor. Do NOT induce vomiting. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. **IF EXPOSED OR CONCERNED:** Get medical attention. For more information refer to SDS, or call Jet-Lube® at 713-670-5700.
