

# BRAKE PARTS CLEANER

**Powerful Blasting Spray**

**Non-Flammable**

**Non-Ozone Depleting**

This powerful solvent blend easily removes fluid, grease and oily contaminants from brake linings and drums. The blasting spray dries quickly and residue free. Not necessary to disassemble brake unit. Useful on linings, disc pads, drums cylinders and springs. Non-flammable and non-ozone depleting.

#### **DIRECTIONS:**

Use without extension tube to flood surfaces and with extension tube to pinpoint spray. Hold upright and keep actuator pointed to dot on valve cup. Spray brake parts liberally and allow to run off. Allow to air dry or use a soft wiper. Repeat if necessary. Do not spray on aluminum parts, hot or warm surfaces. Protect rubber and plastic parts from spray.

#### **DANGER:**

Contains tetrachloroethylene 127-18-4 and carbon dioxide 124-38-9. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F/49°C. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Do not use near flames, welding arcs, or excessive heat. When exposed to extreme heat, vapors may decompose to corrosive and toxic gases such as hydrogen chloride and possibly phosgene. Make sure equipment is thoroughly dry and vented before restarting. Avoid continuous breathing of vapor and spray mist. **Excessive inhalation of dust and/or vapors may be harmful.** Avoid contact with skin and eyes. Overexposure to vapors can cause eye and skin irritation, irritation to upper respiratory tract, central nervous system effects, irregular heartbeats, unconsciousness and possibly death. Tetrachloroethylene is reasonably anticipated to be a human carcinogen based on animal studies. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Vapors are heavier than air and can accumulate in low areas. If ventilation is not adequate or you experience any symptoms listed on this label, increase ventilation, use respiratory protection or leave the area.

#### **FIRST AID:**

In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information, consult the SDS for this product.

**DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

#### **ELECTRICAL SHOCK HAZARD:**

This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.

**KEEP AWAY FROM CHILDREN**

**Not for use in California or New Jersey.**
