16 FL OZ (1 Pint) 473 mL MK3016

METAL MATE™ CLEANER & POLISH MK3016

MARYKATE METAL MATE restores and protects all bright metals, including brass, chrome, aluminum, nickel, stainless steel, silver, copper, bronze and pewter. Contains no harsh abrasives. Removes tarnish, rust, water spots, oxidation and fingerprints. Great for bow rails, cleats, winches, stanchions, fittings and other metal hardware. Many uses on the boat, at home and in the car too!

DIRECTIONS: Read entire label before using this product. SHAKE WELL BEFORE USING. Apply METAL MATE with soft, dry cloth. Gently rub until soil, stains or tarnish are removed. Then polish with clean, soft, dry cloth.

WARNING: Contains Water 7732-18-5, Silica 14808-60-7, Potassium Tallate 61790-12-3, Coconut Diethanolamide 8051-30-7, Oxalic Acid 144-62-7. Avoid continuous exposure to skin and eyes. Progressively higher exposure can cause eye irritation.

FIRST AID: In case of eye contact, flush with water for 15 minutes. For skin contact, wash with soap and water. If too much is breathed, remove to fresh air. If swallowed, DO NOT induce vomiting. See a physician if irritation occurs.

HANDLING AND SPILL PRECAUTIONS: Keep container closed. Wash thoroughly after handling. FOR SPILLS, use proper protective equipment. Take precautions as necessary to prevent contamination of ground or surface water. For small spills, use absorbent and sweep into closed containers for disposal.

DISPOSAL: Unused contents and containers must be disposed of in accordance with all federal, state and local regulations. Do not dump in sewers, on the ground or into any body of water.

For additional information, consult the Material Safety Data Sheet for this product. **KEEP AWAY FROM CHILDREN**
