For complete product usage instructions and safety warnings in Spanish, go to www.crcindustries.com. Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite www.crcindustries.com.

MARYKATE Mildew Stain Remover clings to where it is sprayed removing tough mildew stains and mold stains. Simply spray onto any vinyl or hard surface and wipe off – no scrubbing necessary. For use on cabin interiors, storage enclosures, rubber fenders, fiberglass, plastic, head and shower areas, vinyl shower curtains, tub and shower stalls, sinks, counters, tile and grout.

DIRECTIONS: Read entire label before using this product. 1. Shake well and spray surface until wet. 2. When stains have disappeared (usually within minutes), rinse surface thoroughly. For difficult stains that are mixed with soap scum and dirt, some scrubbing may be necessary. 3. Rinse immediately after use on vinyl or rubber. Avoid contact with clothing, fabric, and painted surfaces. Avoid prolonged contact with metal and porcelain.

WARNINGS: Contains Water 7732-18-5, Sodium hypochlorite 7681-52-9, and Sodium hydroxide 1310-73-2. Avoid contact with skin and eyes. Wear gloves while using. Avoid inhaling vapors. May cause irritation or burns to skin, eyes and respiratory passages. May be harmful if swallowed. Do not mix with or spray onto surface which is still wet with other chemicals or cleaning products. Harmful vapors will result from such actions.

FIRST AID: In case of eye contact, immediately flush eyes with large amounts of water for at least 15 minutes. In the event of skin contact, thoroughly wash affected area with water. If irritation persists, consult a physician. If ingested, DO NOT induce vomiting. Give 1-2 glasses of water and seek medical care immediately. **KEEP AWAY FROM CHILDREN**

For additional information, consult the Safety Data Sheet for this product. All used and unused product should be disposed of in accordance with federal, state and local regulations. Do NOT dump in sewers, floor drains, on the ground or into any body of water.
