MARYKATE®

Marine Grade Vinyl Cleaner MK4332

MARYKATE Marine Grade Vinyl Cleaner cleans and renews vinyl and creates a micro-thin barrier to help protect against future staining. Removes embedded dirt, grease, suntan lotion, food and beverage stains and more from vinyl seating and cushions. Resists drying and cracking. Odor-free formula leaves vinyl clean without any lingering undesirable scents. Contains no ammonia or bleach. Biodegradable. Non-ozone depleting.

DIRECTIONS: Read entire label before using this product.
Before applying, pre-test on a hidden section of surface to be cleaned to determine color-fastness and surface integrity. Spray directly on surface to be cleaned. Allow 10-20 seconds for product to penetrate embedded soils, then wipe or rinse clean with water or a lint-free cloth, sponge or paper towel.

WARNING: Contains Water 7732-18-5, Surfactant (proprietary), and Sodium citrate dihydrate 6132-04-3. May cause eye irritation. Avoid contact with eyes. For sensitive skin, use rubber gloves. Avoid contact with food.

FIRST AID: In case of eye contact, immediately flush eyes with large amounts of water for at least 15 minutes. In the event of skin contact, thoroughly wash affected area with water. If irritation persists, consult a physician. If ingested, DO NOT INDUCE VOMITING. Give 1-2 glasses of water. If severe symptoms develop, get medical attention immediately.

KEEP AWAY FROM CHILDREN

For additional information, consult the Material Safety Data Sheet for this product. All used and unused product should be disposed of in accordance with federal, state and local regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.
