YEAR-ROUND FUEL TREATMENT & STABILIZER

For complete product usage instructions and safety warnings in Spanish, go to www.crcindustries.com. Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite www.crcindustries.com.

*Cleans entire fuel system and treats more than double the fuel of other stabilizers. *One 8 fl oz bottle treats up to 100 gallons of gasoline, 76 gallons of diesel.*

STABILIZES FUEL UP TO 8 MONTHS. IMPROVES Fuel Economy and Power. REDUCES Emissions, Diesel Smoke, Valve Seat Wear, and Engine Knocks. SUPER CLEANS Entire Fuel System, including Combustion Chamber Deposits and Port Fuel Injectors. Reduces adverse effects of ethanol blended fuel.

DIRECTIONS: *Read entire label before using this product.* Add 1 oz Fuel Treatment & Stabilizer for every 12 gallons of gasoline or 9 gallons of diesel fuel. To fill measuring chamber (1 oz capacity), loosen chamber cap and squeeze bottle. Remove cap and pour into fuel. Cannot overeat. Run engine for 5-10 minutes to allow treated fuel to run through fuel system and engine.

WARNING: Contains Hydrocarbon solvent 64741-86-2, Alkylamine proprietary, Petroleum naphtha 64742-94-5 and Naphthalene 91-20-3. Overexposure to vapor may cause eye and skin irritation, irritation to respiratory tract, headaches, dizziness, anesthesia, drowsiness, unconsciousness, and other central nervous system effects. Product is combustible and should be kept from all flames and other ignition sources. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Use only in a well ventilated area. Avoid continuous breathing of vapors. Avoid contact with skin and eyes. **FIRST AID:** In case of eye contact, flush with water for 15 minutes. For skin contact, wash with soap and water. If swallowed DO NOT induce vomiting. If too much is breathed remove to fresh air. For severe overexposure call physician immediately. **KEEP AWAY FROM CHILDREN**

All used and unused product should be disposed of in conformance with local, state, and federal regulations. For additional information, consult the Material Safety Data Sheet for this product.
