FOUR SEASONS

TREWAX® FOUR SEASONS BOAT WAX

Carnauba Is The Answer! Carnauba, the world's hardest natural wax, gives TREWAX Four Seasons Boat Wax its long lasting durability and hard, brilliant finish. Yet with so hard and durable a wax, TREWAX Four Seasons Boat Wax is easy to apply and easy to polish. It's effortless and requires no hard rubbing.

Use In The Sun Or Shade. The ultimate in Four Seasons protection for the discriminating boat owner.

Crystal Bright Carnauba Shine: The shining armor coating of carnauba wax protection defies the stringent elements of boating, including salt and fresh water, detergent washings, and extremes in weather. This extremely durable protection is also excellent for snowmobiles, trailers, and campers.

Directions: Simply apply the wax with the free applicator enclosed over the entire surface of the boat, or over one section at a time as you prefer. Be certain to let the wax dry thoroughly to a white haze, then simply dust off with Turkish toweling, turning the towel frequently as you do so.

Remember: A boat cleaned and waxed before winter storage has a showroom new appearance...and is all ready to go in the spring.

Performance Guarantee: The TREWAX Company has such confidence in the performance and quality of this product that we guarantee complete satisfaction or your money back.

Caution:
Combustible mixture.
Contains petroleum distillate.
Keep away from heat and flames. Do not take internally. Avoid breathing vapors.
Close container after use.
Keep out of reach of children.
