PRODUCT 67

## FIBERGLASS HULL CLEANER

Formulated specifically for MARINE use, Trewax Four Seasons Fiberglass Cleaner will remove chalking and oxidation from all hull surfaces including fiberglass, aluminum, and painted hulls. Can also be used with electric buffer. Also great for marine hardware!

Shake Well Before Using.

1. Wash or wipe off surface dirt.
2. Apply Trewax Four Seasons Fiberglass Cleaner a small area at a time, with a clean damp terry or turkish towel cloth. Rub until the cloth slips over the surface easily. Turn cloth frequently.
3. Wipe off surface with a clean dry cloth.
4. For badly oxidized hulls, a second application may be necessary.

After cleaning, preserve your boat with Trewax Four Seasons Boat Wax, the ultimate in protection for both fresh and salt water usage.

**DANGER:** Contains petroleum distillate. Combustible. Keep away from heat and open flame. Harmful or fatal if swallowed. If swallowed, do not induce vomiting. Call physician immediately. Eye irritant. In case of eye contact, flood repeatedly with water, avoid breathing of vapor or spray mist, and prolonged contact with skin.

Keep out of reach of children. Do not store above 100° F. Keep from freezing.
