

# EQUA-TORQUE<sup>®</sup> DIFFERENTIAL FRICTION MODIFIER

Sta-Lube<sup>®</sup> EQUA-TORQUE is a premium friction modifier for use in positraction, limited-slip and locking differentials. EQUA-TORQUE uses advanced friction modifiers to provide the proper amount of lock-up to the differential. EQUA-TORQUE also eliminates and prevents chatter, jerking and excessive wheel spin.

## **DIRECTIONS:** Read entire label before using this product.

**1.** Drain differential while oil is warm. **2.** Add entire contents of tube to differential. For hard to reach places, add a section of tubing to the tip of the tube. **3.** Refill with appropriate gear oil. (See manufacturer's recommendations.) **4.** Do not overtreat. One tube treats 4 quarts.

Can be used in both petroleum and synthetic gear lubricants.

Can be used where GM 1052358, Ford 19B546-MA, or Chrysler 4318060 fluid is recommended.

*For maximum protection and superior properties, use Sta-Lube<sup>®</sup> SYN-GO<sup>®</sup> Synthetic Gear Oils. This product is compatible with all GL-5<sup>®</sup> petroleum and synthetic gear oils. Not for use in Jeeps<sup>®</sup> with Quadra-Trac<sup>®</sup> or Quadra-Drive<sup>®</sup>.*

**WARNING:** Contains mineral oil (64742-52-5), alkylamine salt of alkyl phosphoric acid (prop), oleyl alcohol (143-28-2), and methanol (67-56-10). Avoid contact with eyes, skin and clothing. May irritate skin after prolonged contact. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. **FIRST AID:** In case of eye contact, flush with water for 15 minutes. In case of skin contact, wash with soap and water. If swallowed, DO NOT induce vomiting. Contact a physician. For additional information, consult SDS for this product. **DISPOSAL:** All used and unused product should be disposed of in conformance with applicable regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water.

## **KEEP AWAY FROM CHILDREN**
