Part No. SL2631

Read warnings on back panel.

15 FL OZ (444ML)

Sta-Lube® SINCE 1933

CRC®

POWER STEERING FLUID

STA-LUBE® Power Steering Fluid meets service requirements for power steering units in General Motors, Ford, later model Chrysler and most import autos.
*May be added to existing fluid or for complete fill. *Consult owner's manual.

Maintains proper seal swell/prevents shrinkage. Increases hydraulic hose life. Provides oxidation resistance which prevents rust and corrosion. Prevents foaming. Assures uniform performance over wide range of temperature conditions because of high viscosity index. Formulated as performance equivalent to General Motors Part No. 1050017, Ford Motors Spec. No. ESW-M2C128-D and Chrysler Part No. 4318056, Spec. No. MS5931F.

DIRECTIONS: ***Read entire label before using this product.***
Consult owner's manual to assure correct fluid and proper reservoir levels.

WARNING: Contains Petroleum distillates 64742-54-7 & 64742-55-8. Do not breathe vapor or mist. Do not eat, drink or smoke when using this product. Avoid contact with eyes, skin and clothing. Wash thoroughly after handling. This product contains a chemical known to the State of California to cause cancer, birth defects or reproductive harm. **FIRST AID:** In case of eye contact, flush with water for 15 minutes. In case of skin contact, wash with soap and water. If breathed in, remove to fresh air. If swallowed, DO NOT induce vomiting. Contact a physician. For additional information, consult SDS for this product. **DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water. **KEEP AWAY FROM CHILDREN**
