Sta-Lube®

POWER STEERING FLUID

• Maintains good seal condition • Increases hydraulic hose life • Provides oxidation resistance which prevents rust and corrosion • Prevents Foaming • Formulated as performance equivalent to Chrysler Corp. Spec. No. MS - 1872 - T, Part No. 4318055.

STA-LUBE® Power Steering Fluid meets service requirements in all model years through 1988, Chrysler, Dodge & Plymouth autos. (For 1989 and later model Chrysler vehicles, use Sta-Lube Product No. 2631. May be added to existing fluid or for complete fill.)

*Consult owner's manual

El fluido para dirección hidráulica de Sta-Lube cumple con los requisitos de servicio de los modelos de autos Chrysler, Dodge y Plymouth hasta el año 1988 (para los modelos de autos Chrysler de 1989 en adelante, use el producto de Sta-Lube No. 2631.) Se puede añadir al fluido existente o puede llenarse por completo. *Consulte el manual de su automóvil.

DIRECTIONS: Consult owner's manual to assure correct fluid and proper reservoir levels.

CONTAINS: Paraffinic Oil 64742-54-7.

FIRST AID: In case of eye or skin contact, immediately flush with large amounts of water for at least 15 minutes. If swallowed, **DO NOT** induce vomiting. Call a physician immediately. If spilled on painted surfaces, immediately wash off with water.

KEEP AWAY FROM CHILDREN.
