HEAVY DUTY
DRUM BRAKE
 BEARING GREASE

For complete product usage instructions and safety warnings in Spanish, go to www.crcindustries.com. Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite www.crcindustries.com.

- This traditional short fiber grease meets most demands for economical wheel bearing lubrication.
- For vehicles with disc brakes, use Sta-Lube Product #3161 Disc Brake Hi-Temp Bearing Grease or #3191 Extreme Pressure Sta-Plex™ Premium Red Grease.
- Do not use on bearings subjected to heavy water contact contamination.
- For use on vehicles with drum brakes and heavy load, slow speed industrial bearings. Do not use on vehicles with disc brakes.
- Para usar en vehículos con frenos de tambor y cargas pesadas, cojinetes industriales de baja velocidad. No usar en vehículos con frenos a disco.

WARNING: Contains highly refined petroleum distillates 64742-52-5, 64742-65-0. Causes eye and skin irritation. Avoid contact with eyes, skin and clothing. Wash thoroughly after handling. **FIRST AID:** In case of eye contact, flush with water for 15 minutes. In case of skin contact, wash with soap and water. If swallowed, DO NOT induce vomiting. For additional information, consult SDS for this product. **DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water. **KEEP AWAY FROM CHILDREN**
