EXTREME PRESSURE POLYUREA GREASE

Sta-Lube® Extreme Pressure Polyurea Multi-Purpose Grease is a unique, high performance grease that incorporates “state-of-the-art” polyurea technology. This versatile, multi-purpose synthetic lubricant is NLGI GC/LB certified and is designed for use in a wide variety of equipment and applications.

- “State-of-the-art” polyurea technology eliminates compatibility problems with most grease base types.
- NLGI Grade 2 lubricant is smooth textured and blue in color for easy identification.
- Provides exceptional service life at high temperatures and extreme pressures.
- Provides superior protection and oxidation resistance.
- High Timken OK Load - 60 lbs.
- One product can be used in multiple applications.

ALL USED AND UNUSED PRODUCT SHOULD BE DISPOSED OF IN CONFORMANCE WITH LOCAL, STATE AND FEDERAL REGULATIONS.

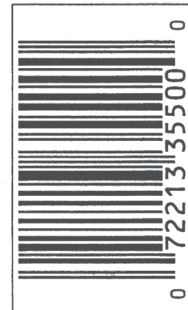

Contains: Petroleum Oil (Grease)
Formula Trade Secret
