

Lectra Lube™ Electric Motor Grease

Lectra Lube™ is recommended for “sealed for life” bearings, rolling element bearings as well as a wide range of industrial applications. This grease is recommended for any application where high temperatures and heavy load conditions prevail.

Precautionary Statements

Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Observe good industrial hygiene practices. Store away from incompatible materials. Dispose of waste and residues in accordance with local authority requirements.

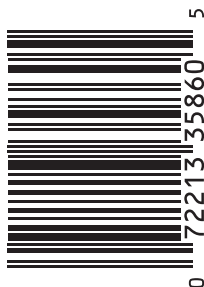

First Aid

Wash hands after handling.

Contains Hydrotreated heavy naphthenic distillates (64742-52-5).

For additional information, consult SDS for this product.

KEEP AWAY FROM CHILDREN.
