

Biodegradable Formula • Non-Toxic Environment Friendly

SALT TERMINATOR dissolves salt and leaves a protective corrosion-inhibiting coating on any surface exposed to salt water, salt air or road salt. Adds extra years of service to gear and equipment. Safe to use on any surface exposed to salt including fiberglass, steel, aluminum, glass, magnesium, isinglass, wood, chrome, plastics & rubber. No scrubbing required!

DIRECTIONS

To Remove Salt & Protect Surfaces:

Rinse with fresh water. Hold bottle 6 – 12 inches away from surface and spray liberally by pumping the spray top. Allow to sit for a few minutes. Re-rinsing with fresh water is optional.

To Soak Gear & Equipment:

Mix 4 ounces SALT TERMINATOR spray per quart of fresh water in a pail. Soak fishing gear, dive gear or other equipment and scrub if necessary. Rinse with fresh water.

WARNING: MAY CAUSE EYE IRRITATION. IN CASE OF CONTACT, FLUSH EYE THOROUGHLY WITH FRESH WATER. THIS PRODUCT CONTAINS CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER.

CONTAINS: Water 7732-18-5 and Sodium Nitrite 7632-00-0.
KEEP AWAY FROM CHILDREN.
