Product Name: CRC® Lectra Clean® Heavy Duty Electrical Parts Cleaner

Product Number: 72018

Letter of Guarantee issued by: CRC Industries, Inc., on behalf of CRC Canada Co.

Date of Issue: October 24, 2016

Product Use:

This product is safe and suitable for use in food establishments as a cleaner and degreaser for use in non food processing areas (K1), which are used to remove oil, wax, resinous materials, or other substances not removable by using acidic or alkaline cleaning agents. Its use is limited to non-processing areas where there is no possibility of solvent vapors entering a processing area. Food processing equipment or utensils treated with this product must be washed with an acceptable detergent solution and thoroughly rinsed with potable water before returning to a processing area. For product usage instructions, please see the product label.

CRC Canada will provide supporting documentation if requested by CFIA.
